

Key Features

- High quality OFC conductor
- Fully Shielded cable
- Gold plated contacts
- TPE Outer sheath
- Plastic Free Packaging
- 10 Year Warranty

Overview

The aura range of USB 2.0 A to A cables are a high-quality product, made using copper conductors with matching shielding ensuring good conductor abilities and good protection against outside interference. These USB 2.0 Leads feature connectors robustly terminated onto the cable with TPE insulation providing greater flexibility.

Product Specifications

Feature	Values
Type of connector connection 1	USB-A
Connection type connection 1	Plug (Male)
Type of connector connection 2	USB-A
Connection type connection 2	Plug (Male)
Length	5 m

Additional specifications

Features	Values
Outer Sheath Material	TPE
Outer Sheath Diameter	3.5mm
Plug Head Type	Plastic
Standard	USB 2.0
